Dan Državnosti (Statehood Day)

Dan Državnosti is an annual public holiday and national day celebrated on 30 May in Croatia to celebrate the constitution of the first modern multi-party Croatian Parliament in 1990.

An event was held at our Club on Saturday 17th June to celebrate this important day. There was a good turnout considering the timing of the event, very happy atmosphere, an abundance of delicious food and feedback indicated a very enjoyable time was had by all.

Upcoming Events

- Youth Meet-up Friday 7th July at 5.30 pm**
Are you Croatian or of Croatian descent, young (or young at heart)? Then come along and join those who attended and enjoyed the first meet-up in June. Cash and bank transfer bar. Nibbles including pizza. Non-members are welcome - donacija (donation) at door and sign the visitors' book.
- Cooking Demonstration** - Join us in our Clubrooms on Sunday 23rd July at 2pm to learn how to make palačinke and sample the finished product.
- Language Café Saturday 29th July 3.00pm-5.00pm** and it will be a pleasure to welcome Maja Krtalić back from her holiday in Croatia.

Changes to Events Calendar

Unfortunately, due to lack of support...

- Drinks after work** has been cancelled.
- Open clubrooms, Sundays from 2pm** - Having tried for a month, this has now been changed to just the last Sunday of each month.

Membership

There are still a number of members who have not yet paid their 2023/2024 subscriptions. A gentle reminder of our new Rule 16 d. ii. - *Any member who has not paid the current subscription within four calendar months of it becoming payable (1st May each year), will be automatically suspended from membership of the Club on the 1st September in that year.*

The committee are happy to advertise the following new membership applications ...

Luka Licul received 2 June 2023

Petar Grgec received 24 June 2023

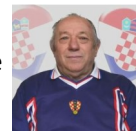

Tim Grgec received 24 June 2023

Radio Access Survey

The Committee wishes to thank the members who took part in the recent survey regarding the Club's radio broadcast.

Results of the survey showed that 78.38% of the voters were in favour of the Club continuing its funding for the broadcast. However, from the comments made, change has been asked for so that the broadcast is more modern, varied, has notification of events and has community news from members.

For changes to happen, Ivo Curac who is our broadcaster, will need help from the Committee and members. The Committee therefore, ask that members advise them preferably by email to croclubwgt@gmail.com, dates of any important events coming up that they would like announced, for example, birthdays, anniversaries, births, achievements etc. Members may also have special requests for music that could be sourced. This information would then be passed on to Ivo.

Pool Table

Sadly the Club's pool table has been sitting idle in the back room for some time now. Repairs to some of its legs is required and the Committee feels it is not viable for them to go ahead with repairs as, for a long time, there has been a lack of interest in members wanting to use it. Consequently, if there is one of our membership out there who feels they could repair it and put it to good use, it is their's to take (as is) free of charge. Express interest via an email to croclubwgt@gmail.com or phone a Committee member.
